突波保護器 突波（高壓）保護器（避雷器） SurgeArrester'Powerguard'

詳細產品規格--請點擊www.100y.com.tw

Features

- Competitive price
- Single phase primary protection for low exposure sites or secondary protection applications
- Single mode protection, configurable to Ph-N, Ph-E and N-E protection
- 35mm DIN rail mount, DIN 43880 profile matches common MCBs
- 36mm width compact design fits into most switch and distribution boards
- Electronic status indicator ideal for poorly illuminated locations
- Long Service life
- Optional retrofittable DIN LINE Alarm Relay for remote alarms
- Optional retrofittable DIN LINE Surge Counter
