

12^{PCS} 烙铁组套

焊接快速 收纳方便

The image shows a hand holding a green LAOA LA812402 35W/220V soldering iron. The iron is connected to a power cord. In the background, a black carrying case with green trim contains various tools including a screwdriver, tweezers, and a soldering iron. A small tin of LAOA Solder Paste (无酸焊锡膏 25G) is also visible on the PCB.
