The advertisement features a background image of a fish on a wooden cutting board with the Scotch KS-DT500 scissors. On the left is the product's retail packaging, which is red and black with the Scotch logo and model number KS-DT500. The packaging includes vertical Chinese text '鈦金屬 料理剪刀' (Titanium Kitchen Scissors) and '抗菌可拆式' (Antibacterial and Detachable). Three icons on the packaging highlight features: '手把抗菌' (Antibacterial handle), '可拆結構' (Detachable structure), and '防滑舒適' (Non-slip and comfortable). The main text in the center reads '鈦金屬 抗菌料理剪刀' (Titanium Antibacterial Kitchen Scissors) and '多功能可拆式' (Multi-functional and Detachable). Below this, four icons illustrate the scissors' uses: '剪硬骨' (Cutting hard bones), '破殼' (Cracking shells), '去鱗' (Scaling fish), and '開瓶' (Opening bottles). At the bottom, three circular icons with text describe the product's certifications and features: 'SGS 抗菌力99%' (SGS 99% antibacterial power), '舒適好握' (Comfortable grip), and '可拆洗' (Detachable for cleaning).
