

3/8" Ratchets Handy and compact!

Standard Ratchet M (medium) 3/8" Tested 100,000 times!

Switchover directly on the ratchet mechanism. The smooth ratchet operation transfers high torques. Ejection of socket by means of a press button. The ratchet is forged from a single piece, i.e. the head is not welded on. Made of Chrome Vanadium, double nickel and chrome plated. Grip of oil and acid resistant NEOPRENE with a handy hole to hang up the ratchet.

NO 23 094
