## DIGITAL SCALE (500 g X 0.1 g)

Model: GM-500

| FEATURES                                                                |   |
|-------------------------------------------------------------------------|---|
| * Microprocessor circuit with high accuracy & better performance.       |   |
| * High resolution & wide measuring capacity, 500.0 g x 0.1 g.           |   |
| * Large LCD display, 18 mm (0.7") digit size, easy read out.            |   |
| * Built-in gram & oz display unit, select by the internal slide switch. | N |
| * Built-in self calibration system, high precision.                     | W |
| * Heavy duty ABS housing plastic case.                                  |   |

| 011/2                                                         | SP                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | ECIFICATIONS                                                                                                                                  |  |
