ELECTRONIC AND PHOTO BATTERIES:

- As the number of applications increases, so do demands for a universal range of button cells.
- The Electronic and Photo range is designed to satisfy this demand with a wide selection to cater for the most varying applications.
- Varta's comprehensive range of Electronic and Photo batteries will enable you to cover an extensive selection from photo cameras to car alarm and keyless entry batteries through to children's toys and personal organizers.
- As watch cells are not exclusively used for watches anymore, the best-selling types are now included within the Electronics range.
