

TQ-90Series

The two stage switching type high power heat TQ series. This one iron handles various applications.

TQ-90 (With Heat Insulation Cap)

- By pushing the button continuously (High position) the temperature rising is 10 times quicker than the normal position (Low).
- The ergonomically designed grip is safe and comfortable.
- Compact and light weight making it easy to carry.
- The standard heat insulation cap allows quick storage (3 minutes after unplugging).
- Perfect for field service technicians.
