ED 氟胶圈

You must be strong, because no one will understand how painful you are.
No matter how many times you fail, you should face life and be full of hope.
If you don't force yourself, how can you know that you can't.

耐低温 -40 度 高温 100 度防水

非标定制

ED 氟胶圈

SAFETY: ED Fluororubber O-rings are used in
Gaskets, Seals, and other applications.

用途广泛，可以使用在
防水接头等一些产品
经久耐用
